Kim
She's star of the stage and a determined diva!

Taylor
This dancer's got all the right moves!

Part one:
The rockin' role!

Did you get Sophie's message earlier?

Yes, she sounds very excited!

I've just checked the notice board. They need a girl to star in a TV show about a dancer!

Later on

Thanks, Sophie! But as a top actress I've already signed up!

Erm, that's great.

But... I was thinking that Taylor should go for it.

Me?

Well you are a Fabulous dancer, Taylor! You'd be ace.

Thanks, Sophie.

Well, that sounds lovely! See you all later...

I think she's cross with me. What shall I say?

This is so silly. Just talk to her!

Hmmm... That gives me a great idea!

Hey, Kim. Can I borrow a pencil?

FINE! Take my pencil, And my pencil case. And my role!

It's not your role, Kim. You can't even dance!

Maybe not, but I bet my dancing is better than your acting!

I can learn a few lines - what's so hard about that?

Acting is an art, sweetie! It's harder than jumping about in tights, like you!

Stop it, both of you! You're both almost perfect for the role. If only you had each other's skills too!
